Re: MUR 6220

Dear Ms. Duncan:

We are writing this letter on behalf of Obama Victory Fund (the "Committee") and Andrew Tobias, as treasurer, (collectively referred to as the "Respondents") in response your letter, dated February 5, 2010, seeking additional information in response to the Complaint filed in the above-referenced matter.

The Complaint cites a specific solicitation, *available at* <http://www.joniweyl.com/DNClist.rev.1.09.pdf>, where individuals who contributed \$20,000 to the Committee would receive an artist portfolio of 13 prints. The solicitation further stated that donors who had contributed the maximum amount to the Democratic National Committee (the "DNC") could make a contribution to Committee for Change.

The Committee had no knowledge of the solicitation referenced in the Complaint prior to receiving the Complaint. Although the Committee did solicit contributions in connection with an artist portfolio, the solicitation posted on the above website was not authorized by the Committee. Because the solicitation was posted on the above website without the Committee's express or implied authorization, the owners of the website were not acting as the Committee's agents, *see* 11 C.F.R. §§ 300.2(b); 109.3(a), and the Committee cannot be held liable for their actions. Nor can the solicitation's failure to comply with 11 C.F.R. § 102.17(c)(2) be attributed to the Committee.

The Committee has not found any record of receiving any contributions in response to the solicitation on the above website.

Because the Complaint presents no specific facts that would constitute a violation of law by the Respondents, the Respondents respectfully request that the Commission immediately dismiss the Complaint and take no further action.

Very truly yours,
